## **Small Group Information**

This is a time for you to spend with the kids from your church. A lesson will be provided by the camp, and it will pertain to the lesson from morning Bible Study.

- Small Groups will take place after morning Bible Study on Tuesday and Wednesday
- Every Church is responsible for their own kids during this time
- A lesson and materials will be provided by the camp and will be given at the camp
- Small Groups can meet in any open area close to the Tabernacle—avoid being too close to places that may distract your students and the students from other churches.
- Consider having a Teen Servant teach during this time if they are mature and capable.
- Download your Small Group Material from <a href="https://www.kidskamppsbc.com/">https://</a>

Look over these lessons ahead of time so you can be prepared once you get to camp

### **Child Protection Information**

State law requires that all adults and sponsors over the age of 18 **attending** and/or **visiting** the campground to complete and Child Protection Training course, must pass a criminal background check, and pass a sex offender check before coming to camp. All the information you need to fulfill these requirements is found on the Pine Springs website -<u>www.pinespringsbaptistcamp.com</u>. Sponsors must bring copies of the CPT Completion Certificate and background checks.

That means if you have a parent or church member who would like to **visit** the camp, they must complete the training and get background checked.

## ADULT CAMPER CHECKLIST Church/Group: \_\_\_\_\_

For each adult, conduct a criminal background and sex offender check and sign statement below stating that those checks have been done. You do not have to bring the results to camp but know that if the state health inspector request those documents, they must be produced within 10 days. If any adult has been convicted of a crime or sex offense, you must contact the camp office to see if that adult is eligible to attend. For your convenience, links to the state's database for criminals and sex offenders can be found on the camp website.

Each adult must complete a Child Protection Training every two years. Those records are not kept on file at the camp. Bring a copy of the certificate of complete for each adult attending camp.
